## SDG Implementation Review

Sl. No	Targets & Indicators	Baseline Data (Year)	Milestone for 2020	Progress (up to June 2018)	Source of Data
1.	Recognition of Unrecognized Ebtedayee Madrasah	2017-2020	2020	A draft of rules and regulations has already been formulated for the recognition of Ebtedayee Madrasahs and submitted for the approval of the concerned authority.	SDG4 Action Plan of BMEB
2.	Upgrading and revision of present Curriculum	2018-2020	2020	Administrative order has been passed from Technical and Madrasah Education Division of Ministry of Education to the Bangladesh Madrasah Education Board to upgrade and revise the present curriculum and Bangladesh Madrasah Education Board has already taken the necessary measures to arrange workshop and seminar with the concerned stakeholders and other academicians and curriculum specialists.	SDG4 Action Plan of BMEB
3.	Converting all madrasah related text into Interactive Digital Madrasah Text (IDMT) for the grade 1 to 8	2018-2020	2020	The text books of class six have already been converted into Interactive Digital Madrasah Text (IDMT). Immediately after the development of curriculum, books will be newly written. Then initiative will be taken for Interactive Digital Madrasah Text (IDMT).	SDG4 Action Plan of BMEB
4.	Digitalization of all previous records	2018-2020	2020	To digitise the all previous records the Bangladesh Madrasah Education Board meanwhile has taken the decision to call a tender in this regard very immediately and going to buy the necessary instruments to reach the goal within 3 months.	SDG4 Action Plan of BMEB
5.	Modernization of existing exam systems including establishment of question bank and archive centre	2018-2020	2020	Subjects and marks have already been reduced in Junior Dakhil Examination (JDC) without hampering the learning outcome of the learners.	SDG4 Action Plan of BMEB
